

Gas Meter House

Herrick Archives Building S 42

This is a gas meter house between Dodd Hall (171) and Murray Hall (304). See sketch. The building appears on Sheet 115 in the book of campus maps in the University Archives.

See Addendum No. 1

For identification of other buildings shown, see Appendix A.

The building is 12'8" x 20'. It has a brick exterior and a reinforced concrete roof.

The building was constructed by the Ohio Rehabilitation Commission as a part of the original construction of what is now called Dodd Hall (171). See Report 171 for dates, etc.

See X 12054 and X 12055 in Photoarchives for pictures of the building.
